Amount Enclosed: _____

Make checks payable to **Marci Christian** and send to:
The Crank, 203 West Penn Ave., Wernersville, Pa. 19565

Notes:

Registration **must be completed** and money received by **Wednesday** prior to the class date to reserve your spot. If fewer than 6 people are signed up by Wednesday evening, the class may be cancelled.

All **boats and equipment** used in pool must be **completely clean** (inside and out) before being brought into the pool area. All **boats will be inspected** for cleanliness before class starts. Boats with any leaves, dirt, sand, etc. **will be turned away**. This is important to preserve our right to access the pool for these classes.

Please try to **arrive at least 20 minutes prior** to the class start time in order to complete (or update) a medical health questionnaire and liability waiver; these must be completed before each class and the instructing staff will have the right to refuse instruction to anyone unwilling or unable to comply.

Receipt of registration and payment reserves your spot and there will be no refunds!!! If you are unable to attend a session you have selected, you may send someone else in your place. In the event of inclement weather, act of God, etc., and a session is cancelled, we will attempt to reschedule, and if we are unable to coordinate a schedule at that point and time, your money for that particular session will be refunded. A minimum of six (6) people are required to run each class, and in the event not enough people have registered, the session will be cancelled and no fee will be charged. We will limit the number of participating people to 10 or 12 boats (based on size of kayak) so that all students will reap maximum benefit from their time invested.

Thank You and we look forward to seeing you!!!
